

## PRESS RELEASE

Munich, March 2014

### **Experience hunting at its best!**

All hunting enthusiasts and lovers of nature should now save the date of the hunting and fishing days which will take place from 2<sup>nd</sup> to 5<sup>th</sup> October 2014 at Residenz Ellingen.

This trade fair has already become well-established in its first year. Says exhibition director Hubertus Reich: "I am overwhelmed by the enormously positive response of the great number of exhibitors. This is clear evidence that our concept of trying something new in this area is successful!" Participation of the hunting weapon industry is indeed extraordinary: Renowned manufacturers from Germany and abroad such as Blaser, Krieghoff, Browning, Holland & Holland, Cosmi, etc. present their exclusive weapons in the historic atmosphere of the Residenz. Small but highly skilled gunsmiths from Germany, Austria, Italy, England, Belgium, etc. are present as well as the first league of optical instrument providers: Zeiss, Kahles, Minox, Kowa, Schmidt & Bender, to name just a few. The varied offer is completed by a great number of other exhibitors. From hunting equipment to deerstands, from leather trousers to hunting jewellery, from the work tool to the off-road vehicle - it's fun to get informed and to shop here. A diverse cultural framework programme which includes, among others, the St. Hubertus mass in the Baroque church of the Residenz, celebrated by His Excellency Dr Gregor Maria Hanke OSB Bishop of Eichstätt, a ceremonial address by H.R.H. Prince Leopold of Bavaria about "Hunting at House Wittelsbach", international wind ensembles, mountain troops and traditional German *Böllerschützen*, hunting dogs, raptors etc. will make your visit an unforgettable experience for the whole family. And make sure not to miss out on our hall of hunting tour operators. Here you will find a unique selection of travel businesses from around the world on over 1,000m<sup>2</sup>. An authentic Africa biotope and the rustic Safari Bar create a real "camp" atmosphere.
